When using the pattern to the right:

We want to move away from Romaji ASAP. It is ok if you can't read every character. Recall your self-intro and what phrase came first, what phrase came last. Now look at the pattern again and see if you can recognize just enough characters to use it as a guide on what to say to introduce yourself. Also, listen to the examples again and compare to what's written in the pattern.

Pattern for name and age:

はじめまして。

name
_____です。

age
_____です。

よろしくおねがいします。
