

All Junbi and work (provided you did it) now has comments:

1. Go back and check your feedback
  2. Answer the questions below by typing in English under the question
- 
- What Hiragana characters/sounds are tripping you up? (if none, then please say so)
  
  
  
  
  
  
  
  
  
  
  - What phrases/greetings are you not remembering or don't understand?
  
  
  
  
  
  
  
  
  
  
  - What parts of Hiragana do you want to review (Combinations, ten ten and maru, small tsu [pause], the main chart?)
  
  
  
  
  
  
  
  
  
  
  - If work was blank or missing, enter a date you will complete by (must be no later than 10/9)
